

About Lenny:

I (Lenny) have been at Camp Seewackamano nearly my entire life. After moving to Lake Katrine when I was six, a mere Catskill, the YMCA and Camp Seewackamano became a huge part of my life.

Since 1992, I have been at Camp every summer. From Catskill through Tonchi, I never missed a year as a camper. I then progressed through the CIT/LIT program, became a counselor at age 15, and by age 20 was on the administrative staff. I have served as the CIT/LIT Director, Mohican Village Director, Program Director, Assistant Camp Director and last year was named Camp Director. I cannot think of any other place I'd like to be each and every summer!

In the off-season, I now serve as the Camping Director at the YMCA of Kingston and Ulster County. My job is to make sure that the world knows that Camp Seewackamano exists outside of the summer season. I book birthday parties, events, field trips, trainings and more. Being able to focus solely on Camp ensures that come next year, we blow the past years out of the water.

While your child is at Camp, my staff and I will provide a safe, fun atmosphere for your child. We will give them tools to take home to help them learn and grow as individuals. We will encourage all children to try new activities (there will be a ton of them!) and provide them opportunities to make plenty of new friends that will last their lifetime! We preach the four core YMCA values of Caring, Honesty, Respect and Responsibility in everything that we do at Camp.

When not at work, I spend my free time like a 10 year old boy does. I play video games, watch a ton of movies, love being outdoors playing sports, enjoy reading a good book and spending time with friends.

I'm always available and eager to talk Camp or Child Care. I can be reached at (845) 338-3810 ext. 127 during camp's off-season (September through May). During Camp (June through August) I can be reached at Camp, at (845) 657-8288.

Uw! Un Gowa! Seewackamano Power!
