**STATEMENT ON ABUSE PREVENTION**

To protect the people in our care, as well as the staff members and volunteers who serve them, we follow strict policies on abuse prevention. We do everything possible to screen out potential offenders and to prevent abuse from occurring in our programs. This protects the children from potential harm, and it minimizes the risk of false allegations against staff members and volunteers. We cooperate with authorities in thoroughly investigating any and all allegations.

Thank you for completing this application. The YMCA is proud to offer the highest quality in camping programs due to the excellence of its staff. Our philosophy includes placing the needs of the children first, and helping them to grow as individuals by serving as positive role models. The rewards of working with children last a lifetime.

Upon reviewing this application, you will be contacted by mail from the specific camp director. A response should be within a week of submitting application. For more information, please call
