YMCA OF Kingston & Ulster County

Do you want your voice heard?

Join TEEN LEADERS CLUB to find out how to make a positive impact on your community!

YMCA Teen Leaders Club is for teens in the community that are 13 to 18 years old. This is a judgment free, safe, club where you will learn how to be an effective leader in the community, empowerment, and fostering a culture of service. The teens drive this club! It's YOUR club to decide what needs to be a topic for leadership, advocacy and service to your community. YOU will plan, coordinate and execute service projects, and act as peer to peer mentors!

Adult advisors are resources and role models and mentors who can have a positive impact on their lives as they grow in their desire and ability to be a positive force in the community.

Develop skills that focus on leadership, communication, public speaking, goal setting & service to their community. These skills are learned through hands experiences like:

- Volunteering both at Y and with community based organizations
- Fundraising, Attend Rally's throughout Northeast,
- Event planning

GROWING AS LEADERS

In addition to acquiring leadership skills, the YMCA Teen Leaders Club program helps participants in their pursuit of higher educations and career goals. Participants have the opportunity to attend college tours, workshops, service projects and life-changing conferences. Community leaders will be identified by the teens to come and speak to them about their interests.

Meetings take place:

Wednesdays 6 PM-7:30 PM

No meetings 1/30, 4/17

"The Leaders Club left me with valuable lessons about responsibility and contributing to my community. As a high school student, it became my first professional work environment with meetings, event planning, and goal setting. I have made life-long connections with other teens and adult mentors."
